Description:

As a delivery driver for CDS, you'll be delivering to residents and businesses around the greater San Diego area for one of the world's most iconic brand. Each morning, we provide all the tools you'll need for the day: a company van, a device to log your packages, a dispatcher to assist you as necessary throughout the day, and the boxes themselves!

Schedule:

For your salary, we pay \$14.00/hr, as well as overtime pay after eight hours in a day. However, you are required to work a 10 ½ hour shift for your scheduled days of work. This job is not a per route paying job. We pay you to work from the beginning of your shift to the end, not per package. To add all this up, our average drivers make around \$750.00 on the low to the high of \$1100 in a week before taxes.

Benefits

The position includes paid time off and dental, health, and vision insurance eligibility after 90 days. If you want to sign up for them, they are not required.

Room to Grow:

CDS promote almost exclusively from within and has multiple administrative positions in your location that you can transition into if you choose to pursue such a goal.

What We Will Ask of You The Most:

Attendance: It is essential that you show up on time to fulfill your scheduled shifts consistently. We have a strict attendance policy and expect that you abide by it.

Performance: You will receive paid training and continual support to grow as a delivery driver and make the most out of your time.

Attitude: You'll need to bring a "can-do" optimistic outlook, and maintain a pleasant, professional demeanor with our clients and their customers.
